Chair of choice.

Marien152 is a richly tailored seating experience that's inspired by the home and designed for the workday. Thoughtful comfort is the foundation of a modern residential expression, bringing a surprising level of support together with soft, inviting style across a comprehensive seating family. Design personalization is built into the collection through a wide range of color, base and materiality choices.

——————— The collection anchors many applications through the workday, from conference chairs to lounges.

——————— Mix and match. Beautifully crafted and effortlessly personal, you can create each chair with a mix of upholstery, color, material and base options.

Seated in comfort.

A cleverly designed back cushion gives the appearance of a soft loose pillow with subtle, built-in flex allowing the chair to move with you. Varied upholstery, color and base options allow you make a statement while carrying Marien152's style through the space plan.

——— An innovative back cushion gives the appearance of a soft, loose pillow, yet has subtle, built-in flex that allows the chair to move comfortably with you.

Global collaboration.

The Coalesse Design Group and Arik Levy set out to create a family of seating that supports the social, collaborative and personal spaces of a diverse workforce. From Grand Rapids to Munich to Paris, the teams designed a seating experience with comfort at it's core.

——— Globally renowned designer Arik Levy collaborated with the Coalesse design team from his studio in Paris.
